1. Al-most, but still I re - sist - ed, Al-most but ne - ver be - lieved;
2. Al-most at one time I yield-ed, Al-most at one time was waved;
3. Al-most, why long-er re - fuse Him? Al-most, O lost one, be - lieve;

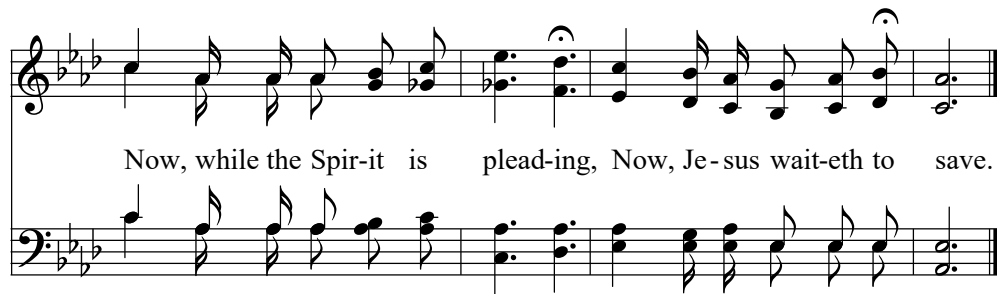

Al-most, but wait-ed and wait - ed, Till the sweet Spir-it was grieved.
Al-most, but drift-ed and drift - ed, Sa - tan thus held me en - slaved.
Al-most, swing o - pen thy heart's door, Je - sus the Sav - ior re - ceive.

Refrain

Now is the time to re - ceive Him, Now is the time to be saved;

Now, while the Spir-it is plead-ing, Now, Je-sus wait-eth to save.
