1. Ask for the old path; God will make it plain; Je - sus will lead us there;  
2. Knock at the por-tal, nar - row though it be; Pray that we en - ter in;  
3. Walk in the old path; nev - er turn a - side; Climb we the rug - ged hill;  
4. Keep in the old path, ev - er to the right; Lo! 'tis the King's high - way;

They who would find it nev - er seek in vain; He will lead us there.  
Faith is the pass - word, prayer the bless - èd key; Strive to en - ter in.  
Why should we fal - ter? see our faith - ful Guide Lead - ing on - ward still.  
Soon will the sha - dows van - ish from our sight, Lost in per - fect day.

When the val - ley safe - ly we have passed, God will ga - ther us home at last;

Home in the old path glad - ly we will go; He will lead us there.
