1. Je-sus is plead-ing with some-one to - night, Some-one who's still un - der sin,  
2. Je-sus is plead-ing with some-one to - night, Some-one who's wan-dered a - way;  
3. Je-sus is plead-ing, then why not to - night Turn and make Him now your choice;

Think-ing that works can a - tone for the past, When sal - va - tion is on - ly in Him.  
Call - ing you back from the path-way of sin, He is wait-ing in mer-cy to - day.  
His blood will blot out the sin of your past, And your heart in His love will re - joice.

## Refrain

Come to Him now, make no de-lay; He is the truth, and He is the way; Come, be at rest,

why long-er roam? Je-sus now calls you: Come home, come home.
