♩=115

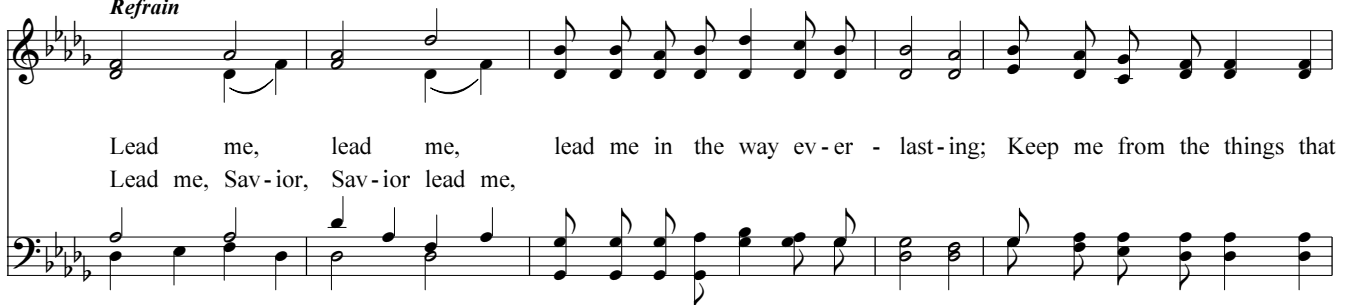

1. Search me, O God, search me and know my heart; Try me and prove me in the hid - den part;  
2. Thou art the same to - day and yes - ter - day; Oh, make Thy life in me the same al - way;  
3. Take my poor heart and on - ly let me love The things that al - ways shall a - bid - ing prove;  
4. Help me to lay my trea - sures up on high; Teach me to seek my fu - ture in the sky;  
5. Oh, let my work a - bide the test - ing day That shall con - sume the stub - ble and the hay;

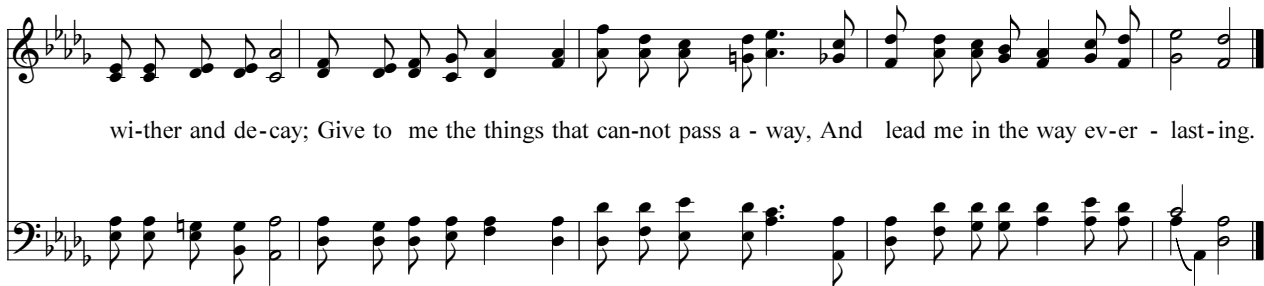

Cleanse me and make me ho - ly, as Thou art, And lead me in the way ev - er - last - ing.  
Take from my heart the things that pass a - way; Lead, lead me in the way ev - er - last - ing.  
Bind all my heart - strings to the world a - bove, And lead me in the way ev - er - last - ing.  
Give me my por - tion yon - der by and by, And lead me in the way ev - er - last - ing.  
Oh, build my house up - on the rock, I pray, And lead me in the way ev - er - last - ing.

## Refrain

Lead me, lead me, lead me in the way ev - er - last - ing; Keep me from the things that  
Lead me, Sav - ior, Sav - ior lead me,

wi - ther and de - cay; Give to me the things that can - not pass a - way, And lead me in the way ev - er - last - ing.
